SHARES AND DEPOSITS.

Shares.—The Shares amount to £25 each, and are payable by Subscriptions, which may be paid Monthly, Quarterly, or Half-yearly, at the rate of 2/-, 3/-, or 4/- per Share per Month. As long as Interest is charged on Advances by the Society as at present, it is estimated that payment of Subscriptions at the above rates would mature Shares in 14, 10, and 8 years respectively. **Deposits.**—Sums of £10 and upwards are received *on deposit* for such periods and at such rates of Interest as may be arranged.

LOANS.

Loans are granted on Security of House Property at 5 per cent. repayable by means of Shares.

Loans may also be paid off in whole or in part at any time, but so long as the Interest is regularly paid, and the Security fairly maintained, Borrowers can depend upon Advances being left undisturbed.

YOU CANNOT BUY SHARES

in a Mutual Life Office. All you can do is to take out a Policy.

Financial experts know that Life Assurance Offices are making larger profits than ever before. These conditions are likely to continue for many years to come. By assuring your life in a great Mutual Society you can participate in the substantial profits being earned. No part of the profits is given to shareholders.

Examples of Bonus Additions on Policies taken out now :—

Whole Life	{ £2 5s. per cent. per annum, increasing after the expectation of life is reached.
Endowment Assurance } maturing at age 65	£2 7s. per cent. per annum.

At the Annual Meeting in 1926 the Directors forecast an increase on all the above rates at the next Division of Profits in 1927.

It will pay you to join this select and famous Society now.

If it is not fully prepaid at the letter post rate, it will be treated as a parcel, and will be charged on delivery with a fine of 1d., together with the deficient postage, if any, at the parcel post rate.

Parcels containing fish, game, meat, eggs, etc., or knives or other sharp instruments, can only be sent if so packed as to prevent all risk of injury to other parcels. Liquids or semi-liquids are not accepted unless in bottles or cans securely stoppered and suitably packed to prevent damage; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition it will be refused.

Parcels known to contain a prohibited article, or parcel intended for delivery at an address other than that borne on the parcel itself, are liable to be refused.

Parcels addressed to a Post Office to be called for are kept two weeks, at the end of which period, if not called for, they will be returned to the sender, if his name and address are given on the parcel.

Parcels addressed to a ship are kept two months.

If, however, such a parcel contains perishable matter, it is kept only 48 hours; and should it become offensive, it may be disposed of at any time as the Postmaster-General may direct.

It is most desirable that the name and address of the sender should appear on the outside of every parcel.

***EXPRESS DELIVERY OF MESSAGES, LETTERS, AND PARCELS BY SPECIAL MESSENGER ALL THE WAY.**

Messages, postal packets, letters, and parcels are delivered by Express messenger under the following conditions, viz.:—

LOCAL SERVICE. EXPRESS MESSENGER THROUGHOUT.

Scale of Charges.

(a) For a Message, Letter, Packet, or other article the Express fee (inclusive of charges for omnibus, tramcar, railways, etc.) is:—

For every mile or part of a mile from the office of delivery to the address 6d.

(Ordinary postage is not charged.)

A weight fee of 3d. is charged on packets over 1 lb. in weight.

(b) The cost of hiring a cab or other special conveyance must be paid in addition to the ordinary Express fee, if the sender desires that such a conveyance be used, or if having regard to the weight and size of the packet and the distance to be covered, the accepting officer considers that the employment of a special conveyance is necessary. The weight fee in such cases is not charged.

Replies and Returns.

On the delivery of an Express packet, the delivering messenger may take a reply or perform a further Express delivery service within the authorised hours. The second fee must be prepaid either by the sender of the first service or by the sender of the reply or further service.

When a reply or further service is required by the sender, the words "Wait Reply" or "Wait Further Service" must be written above the address of the letter or parcel, and the messenger will be allowed to wait 10 minutes. For a longer wait 2d. is charged for each 15 minutes.

When a letter or parcel is taken to an address on the messenger's homeward route, or to an address within a radius of half a mile of the Post Office from which the messenger originally started, half only of the special messenger fee will be chargeable.

EXPRESS DELIVERY AFTER TRANSMISSION BY POST.

Under this service letters and parcels are forwarded by Mail in the regular course of post, and on arrival at the office of delivery are sent out by Express messenger.

Fees.

(a) In addition to the full ordinary postage the Express fee is:—

For every mile or part of a mile from the office of delivery to the address 6d.

(b) The cost of a special conveyance must be paid in addition to the postage and mileage fee in any case where a special conveyance is required.

(c) The sender is responsible for the fee and charges. The fee is in no case less than 6d., and this and the postage must be prepaid by means of stamps affixed to the Letter or Parcel. In any case where a special conveyance is required the whole charge for such conveyance should, if possible, be prepaid in postage stamps affixed to the Letter or Parcel, but any deficiency will be demanded from the addressee. If one-half of the express fee and charge for special conveyance is not prepaid, the letter or parcel will be liable to be treated as an ordinary letter or parcel instead of being delivered by special messenger.

* Live animals (if confined in a suitable receptacle), cycles, and liquids can also be accepted for Express delivery, and persons can be conducted to any address by Express messenger. Special arrangements made as to dogs.

Post Office Telegraphs.

INLAND TARIFF.

The charge for Telegrams throughout the United Kingdom is 1s. for the first 12 words, and 1d. for each additional word. Addresses are charged for.

A Telegram can be repeated back from Office to Office throughout the course of transmission if the Sender desires to adopt this precaution against error. The charge for repetition (which must be paid when the Telegram is handed in) is one-half the charge for transmission. If containing mercantile quotations or code words a Telegram ought always to be repeated. If the addressee of a Telegram doubts its accuracy he may have it repeated by paying half the amount paid for its transmission to him. The repetition charges will be refunded if it should turn out that the original telegram was incorrectly transmitted.

The cost of a reply not exceeding forty-eight words may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery will be delivered separately at an additional charge of fourpence per copy beyond the first. Each London Postal District is regarded for this purpose as forming a separate delivery.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being counted for the mark of division, thus— $\frac{1}{2}$ counts as one word, and $109\frac{1}{2}$ as two.

All Telegrams for delivery at addresses within three miles of the office of delivery, or within the town postal delivery in the case of a Head Post Office, are delivered free. The charge for delivery of a telegram at any address beyond the limits of free delivery is at the rate of 6d. for each mile, reckoned from the boundary of the free delivery, any fraction of a mile being reckoned as a mile.

NIGHT TELEGRAPH LETTERS.

Telegraph Letters are now accepted up to 12 midnight at the Head Office to obtain delivery the following morning in towns which have an all-night telegraph service. They may also be posted within the town area, but should be posted so as to reach the Head Office by midnight. The rate is 1s. for 36 words or less, and 1d. for every three words beyond 36.

REGISTERED ADDRESSES.

Any person may register an abbreviated address on payment of a fee of £2 a year, dated from the day of registration. The address must consist of not less than two words, one of which is to be the town or place of delivery.

DELIVERY BY TELEPHONE.

In most cases subscribers to exchanges may arrange to have their telegrams delivered by telephone instead of messenger without further charge.

ABERDEEN GRAMMAR SCHOOL

(Founded previous to 1256).

RECTOR—

DAVID M. ANDREW, M.A. (*Aberd.*).

THE GRAMMAR SCHOOL provides for boys a complete course of study, both Elementary and Secondary, Classical and Modern.

The ancient traditions of the School as a Classical School and feeder of the University are preserved, while boys destined for Commercial pursuits receive thorough training in subjects likely to be of special use to them.

The School contains excellent Laboratories (Chemical, Physical and Natural Science), Art Room, Workshop, Botanical Garden, Gymnasium, Library, and Reading-room. The Lower School receives boys of the Infant stage and upwards to Standard V., inclusive. The Modern School is well equipped for the teaching of Science and Art and Manual (Wood and Metal work). Pupils are prepared for the Leaving Certificate issued by the Scottish Education Department, and for the Entrance Examinations of the Universities, etc. Promotions are made at the discretion of the Rector, advised by the Masters. Terminal Reports are issued to parents. Physical Training in Drill and Gymnastics is given by competent instructors. The situation of the School is open and healthy, within ten minutes of the Railway Station. There is a Cricket and Football field, and there are separate playgrounds for the Senior, Lower and Preparatory Departments. The School is one of the Public Secondary Schools of Scotland, and is under the management of the Aberdeen Education Authority.

Information as to Fees, Scholarships, Courses of Study, etc., is given in the School Prospectus, which may be had free on application to the Director of Education, Education Offices, Union Terrace; or to the Rector.

PRIMARY DEPARTMENT.—The classes from the Infants to Class V. are graded in accordance with the requirements of the Scottish Code. In addition to English and Arithmetic, Scripture, Drawing, Needlework, Nature Knowledge, Class Singing and Drill are taught in all the classes. French is begun in Class IV.

SECONDARY DEPARTMENT.—Admission to the Secondary Department is dependent on the pupils passing the Control Examination at the age of 12 to 13 years. Pupils are prepared for the Leaving Certificate issued by the Scottish Education Department, and for the Entrance Examinations of the Universities, etc. The subjects of study include Scripture, English, History, Modern Languages, Classics, Mathematics, Experimental Science, Domestic Science, Music, Drawing and Singing.

MUSIC (Vocal and Instrumental).—Pupils are prepared for the examinations of Trinity College, London, and the Associated Board of the Royal Academy and Royal College of Music. Advanced pupils may enter for the Leaving Certificate in Music and the L.R.A.M. Examination.
